Do you feel you are drowning in **Student Loan Debt**? Let our IFT field staff directors help you understand a program to reduce the burden of your student loan(s). This clinic is only for IFT members in good standing. This will help all who attend to better understand the federal student loan reduction and forgiveness program and to realize this is available not only to teachers, but also to *ANY* educational employee. This free clinic is yet another benefit available to IFT members so please encourage your union peers to come with you.

If you are interested in attending, please watch your email for directions on how to sign up for these clinics and don't forget to share this with your fellow members.
