All grievances shall be submitted in writing with ten (10) school days of the event giving rise to the grievance or within ten (10) school days of the union or employee having knowledge of the event giving rise to the grievance.
- B. All time limits stated in this Article consist of school days except when a grievance is submitted fewer than ten (10) days before the close of the current school term; then time limits shall consist of calendar days.
 - 1. All time limits may be extended by mutual agreement between the parties.
 - 2. If no written decision has been rendered within the limits required in the stated procedures, the grievance may proceed to the next step. If the employee fails to adhere to the time limits in the stated procedures, the grievance shall be withdrawn, and further appeal shall be barred.
- C. If the parties agree, a grievance may be submitted directly to arbitration without first having exhausted the grievance procedure.
- D. A grievance may be withdrawn at any level.
- E. An employee who participates in the grievance procedure shall not be subject to disciplinary action or reprisal because of such action.
- F. A grievance may be initiated and/or conducted by:

1. An employee on his/her own behalf;
 2. An employee accompanied by a Union representative;
 3. A Union representative at the employee's request.
- G. The employee, with or without Union representation, has the right to be present at all hearings and meetings concerning his/her grievance.
- H. Any investigation or other handling or processing of any grievance by the grievant or the Union shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program. There shall be no loss of pay for attendance of meetings and hearings held under Article V.
- I. Expenses incurred as a result of arbitration shall be shared equally and are limited to the arbitrator's fee except by mutual agreement.
- J. All parties shall be provided copies of any documents submitted during the grievance process.
- K. All documents, written communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- L. All documents, written communications, and records dealing with the processing of a grievance shall be removed from that separate file one year after the anniversary of the grievance process.
- M. Processing Grievances:
- Step 1. The parties hereto acknowledge that it is usually most desirable for an employee and the union president to resolve problems through free and informal communications; however, if the informal process fails to satisfy the employee, he or she may proceed to Step 2 below.
- Step 2. If the grievance is not resolved at Step 1, the employee may present the grievance in writing to the Site Coordinator who will schedule a meeting to occur within ten (10) days after receipt of the grievance. The employee may be accompanied by a representative at the meeting. The employee may be allowed to present a reasonable number of relevant witnesses at the meeting. Within ten (10) days of the meeting, the employee shall be provided with the Site Coordinator's written decision, including the rationale for such decision.
- Step 3. If the grievance is not resolved at Step 2, the employee may request a meeting with the ROE Superintendent or his designee to be convened within ten (10) days of the request unless more time is needed due to extenuating circumstances. The employee's request must be submitted within ten (10) school days of the Site Coordinator's decision. At such

meeting the employee may present a reasonable number of relevant witnesses.

- Step 4. If the grievance is not received satisfactorily by the grievant after the third step, there shall be a fourth step of binding arbitration at the discretion of the Union. The Union may submit in writing within ten (10) school days of the ROE Superintendent's decision a request to enter into such arbitration. If a request for arbitration is not filed within ten (10) school days of the ROE Superintendent's decision under Step 3, then the grievance shall be deemed withdrawn.
- Step 5. The parties shall jointly request the Federal Mediation and Conciliation Service to submit to them a list of five (5) arbitrators' names and qualifications. Either party may reject one list in its entirety and request that another list be submitted. From such list, each party shall strike two names with the party initially requesting the arbitration striking first. The person whose name remains shall be the arbitrator. The arbitrator selected shall be jointly notified of his/her selection and requested to contact the parties with respect to setting up a time for a hearing.
- Step 6. Insofar as such arbitration is limited solely and simply to interpretation and implementation of the terms of this Agreement, both parties agree to abide by the results of the findings of the arbitrator. The arbitrator shall not have the power to add to, subtract from, alter or modify in any way, any of the terms or conditions of this Agreement.
- N. TIME LIMITS: The time limits set forth in this Article for the filing and processing of grievances through arbitration are of the essence and may be extended only by mutual written consent of the parties. Consequently, if a grievance is not presented by the Union within the time limits set forth above, it shall be considered waived and may not be further pursued. If a grievance is not appealed to the to the next step within the specified time limit or any mutually agreed-to extension thereof, it shall be considered settled on the basis of the Employer's last answer or action. If the Employer does not answer a grievance or an appeal thereof within the specified time limits or does not hold an anticipated meeting pursuant to this provision, the grievance shall be treated as if it had been denied by the Employer and it may be advanced to the next step in the grievance procedure.
