2. Employees who are to be transferred involuntarily to a position in a new category or to a different building shall be notified in writing when the change is made at least five (5) business days prior to the involuntary transfer. If there are extenuating circumstances where a five (5) day notice is not possible, administration and the union will work together to determine hours in training that need to occur during the five (5) day transfer period.

The Union must submit in writing, within ten (10) days after receiving the Board's decision in Step 3, a request to enter into such arbitration. The arbitration shall be conducted by an arbitrator to be selected by the two (2) parties within then (10) days after said notice is given.
