FEBRUARY 1, 2023

ARTICLE I - ALL Recognition

A. Agreement

This Agreement is made and entered into by the Board of Education of Valley View Community Unit School District 365-U (“Board”), Will County, Illinois and the Valley View Council of the AFT Local 604 of the American Federation of Teachers, AFL-CIO (“AFT”).

The Board recognizes the AFT as the sole and exclusive collective bargaining agent of all full-time and part-time employees who are Certified Staff, Nurses, Paraprofessionals, Maintenance Staff, Security Staff, Athletic Trainers, and Reserve Officers Training Corps (“ROTC”) Instructors, but excluding the Central Office administrative personnel, Athletic Directors, Principals, Assistant Principals, substitute teachers (also referred to as guest teachers) regardless of their licensure, and any other employee hired hereinafter as a supervisor or a managerial employee as defined in the Illinois Educational Labor Relations Act, hereinafter referred to as “District Administrator” or “Building Administrator.” The term “Certified Staff” when used hereafter in this Agreement shall refer to all employees working under a Professional Educator License (“PEL”) with a Teaching Endorsement or a PEL with a School Support Personnel Endorsement. The term “Classroom Teacher” when used hereafter in this Agreement shall refer to an employee working on a Teaching PEL, except for those assigned to a District-wide itinerant position or District assigned position. The term “Related Service Provider” when used hereafter in this Agreement shall refer to an employee working under a School Support Personnel endorsed PEL. The term “Nurse” when used hereafter in this Agreement shall refer to an employee who is working as a Certified School Nurse as defined by the Illinois School Code, or a Registered Nurse (“RN”) (formerly known as Classified Nurse). The term “Paraprofessional” when used hereafter in this Agreement shall refer to an employee working under a PEL with a Paraprofessional Educator Endorsement or a Licensed Practical Nurse (“LPN”). The term “Educational Support Personnel” (“ESP”) when used hereafter in this Agreement shall refer to employees working as Paraprofessionals, a Registered Nurse (“RN”), Security, Maintenance, Supplemental Maintenance, ROTC, and Athletic Trainers. “Maintenance Staff” when used hereafter in this Agreement shall refer to employees who are on the Maintenance Staff Hourly Rate Schedule, except for 9-month Cafeteria Helpers and 10-month Custodians. “Supplemental Maintenance” when used hereafter in this Agreement shall refer to 9-month Cafeteria Helpers and 10-month Custodians.

C. Scope

1. It is the intention of this Agreement to provide for an effective and continuing means of communication between the Employees (represented by the AFT), the Board and the Administration, as well as to provide for salaries, fringe benefits, working conditions, etc. of the Employees.
2. The Appendices hereof are integral parts of this Agreement and by this reference are incorporated herein.
3. This Agreement and its provisions shall terminate and supersede any and all prior agreements, practices, and rules and regulations concerning subjects covered herein. Board policy shall not unilaterally void or alter any existing clause during the life of the Agreement.

4. The AFT recognizes that the authority for the administration of the District is vested in the Superintendent and the Administration by the Board except as limited by the provisions of this Agreement.
5. In the event that any provision of this Agreement is or shall be contrary to statutory law or decision of the courts, all other provisions of the Agreement shall continue in effect. The provision in question then shall be performed or enforced only to the extent permitted by law and any substitute action shall be subject to appropriate consultation and negotiation with the AFT.
6. Neither the Board nor the AFT shall engage in any activity of any kind for the purpose of defeating or evading the terms of this Agreement.

D. Fair Practices

1. The Board and the AFT shall continue their policies of equal employment or membership of all Employees regardless of a person's actual or perceived race or ethnicity, ethnic group identification, ancestry, nationality, national origin, color, religion, gender or sex, (includes gender identity, gender expression, pregnancy, childbirth, breastfeeding, and pregnancy-related medical conditions), sexual orientation, mental or physical disability, age, immigration status, citizenship status, work authorization status, marital status, civil union status, registered domestic partner status, genetic information, order of protection status, political belief or affiliation (not union-related), military status, unfavorable discharge from military service, conviction record, on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics or membership or lack of membership in the Employees' organizations.
2. The Board and the AFT shall administer all their policies uniformly and fairly.
3. Both parties to this Agreement believe that the services of the Employees are essential to the success of the educational program of the District. Therefore, all Employees shall be dealt with in a professional and ethical manner. In addition, it is recognized that a congenial and cooperative atmosphere is necessary for maximum productivity.

E. Code of Ethics

The Employees of the District accept their responsibility to practice their professions according to the highest ethical standards and agree to comply with Valley View Community School District 365-U ("District") Employee Ethics Policy, 5:120.

F. Board Meetings

The AFT will have public access to the Board Agenda for every Board meeting in accordance with the Illinois Open Meetings Act. The official Board minutes and notice of all Board meetings and Board Committee meetings will be available and accessible on the District website. The AFT President will be placed on the agenda of Board meetings as an avenue of communication to be used whenever the AFT deems it necessary.

G. Use of District Facilities

1. The AFT may hold meetings on District property upon approval of the Building Administrator.
2. The AFT shall have the right to use Employee mailboxes, email and bulletin boards and employee bulletin for the purpose of communication provided the communications are documented and provided such business does not interfere with educational and maintenance processes and shall be

subject to termination upon order of the building Administrator. It is further understood that such an order is to be issued only when educational or maintenance processes are interrupted.

3. Duly authorized representatives of the AFT and their respective affiliates shall have the right to transact official AFT business on District property providing such business does not interfere with educational and maintenance processes and shall be subject to termination upon order of the building Administrator. It is further understood that such an order is to be issued only when educational or maintenance processes are interrupted.
4. The AFT shall have the right to use District audiovisual and specified business equipment when such equipment is not otherwise in use and reservations have been made and approval is obtained from the building or District administration. This equipment is to be used by the AFT President or their designated representative during AFT meetings and/or organization connected business.
5. The District will provide office space for the AFT to conduct its regular business. The office space currently occupied by the AFT will continue to be provided as long as the District does not need the space for classroom use. If it becomes necessary for the District to use the current office space occupied by the AFT, the District will provide replacement office space. The replacement office space will be substantially equivalent (in terms of space and equipment) to the office space previously occupied.
6. The AFT has meeting rights to the 2nd Wednesday of each month for its Executive Council Meeting. Administrators may use the other Wednesdays as needed, but if the AFT requires the 1st, 3rd, 4th or 5th Wednesday of the month for an emergency meeting, the District will cancel all other meetings that have been scheduled. When a meeting is scheduled by a District Administrator on the 1st, 3rd, 4th, or 5th Wednesday of the month, the date will be approved in advance. The appropriate Building Administrator will notify the Educational Services Division five (5) days prior to the proposed meeting date. If the AFT has the need to call an emergency meeting, the AFT President or Vice- President will contact the Superintendent or designee.
7. The AFT has the sole and exclusive right to install, maintain, and service all pop machines and to collect and retain all revenue from said machines in the staff lounges/lunch areas in all District buildings.

H. Ombudsperson

1. The AFT President and Vice-President shall be granted release time daily, without loss of pay, to serve as Employee Ombudsperson in the District provided such business does not interfere with educational and maintenance processes and shall be subject to termination upon order of the Building Administrator. It is further understood that such an order is to be issued only when the educational or maintenance process is interrupted.
2. The Superintendent and the AFT President and/or their representatives shall meet monthly, when deemed necessary by either party, at a mutually agreeable time to discuss matters of educational and maintenance policy and development as well as matters relating to the implementation of this Agreement. In the event that a time cannot be mutually agreed upon, then the meeting shall automatically be held at 1:00 p.m. on the third Wednesday of each month.

I. Deductions on Behalf of Union

By September 15th of each year, the AFT shall certify to the District, in writing, the amount of annual membership dues, and assessments and fees (collectively referred to as “dues”) to be deducted from bargaining unit Employees who clearly and affirmatively consent to have dues withdrawn. This

certification shall be accompanied by a list of the Employees who have individually authorized, in writing, such deductions. The District shall deduct from regular pay of such Employees the amount of dues certified by the AFT on a schedule agreed to by both the District and the AFT. The aggregate deductions of the Employees shall be remitted to the AFT on a monthly basis together with an itemized statement identifying the amount deducted from each Employee. Any requests by Employees to withdraw their authorizations for dues deductions shall be processed by the AFT and the AFT shall notify the District as to when to cease a certain Employee's deductions. The AFT shall defend and indemnify the District and its elected officials, Administrators, Employees and agents from and against any and all grievances, charges, claims, lawsuits, judgments, attorneys' fees, cost expenses or other forms of liability or losses directly or indirectly resulting from, by reason of or connected with any District action arising from this Section.

J. Economic Contingency Reopener

1. If the General Assembly enacts property tax freeze legislation that negatively impacts the District's property tax levy, or requires the District to pay the normal cost of earned pension benefits in excess of two million dollars (\$2,000,000) per year, then the District shall not be required to pay for any percentage wage increase, step increase, and lane increase granted to bargaining unit members in the year in which the District is negatively impacted.
2. If the District decides to exercise this right, the Superintendent shall notify the AFT President in writing within thirty (30) calendar days of the decision, and the AFT shall have the right to demand negotiations solely over the issues of wage increases (i.e., percentage wage increases, step increases, and lane increases only) and health care insurance (i.e., medical, dental, vision, and prescription drug plans only).
3. If the AFT decides to exercise this right, the AFT President shall notify the Superintendent in writing within ten (10) calendar days of receipt of the Superintendent's notice.
4. If the parties reach an impasse in negotiations, they agree to resolve the dispute through interest arbitration utilizing the same arbitral process set forth in Article VII, Section C, of this Agreement, as such provisions may be applicable or otherwise not in conflict with this Section.
5. The arbitrator shall have the following duties and powers: to mediate; to conduct a hearing and regulate the time, place, course and manner of the hearing; to issue subpoenas; to administer oaths; to ensure a full and complete written record is created of the hearing; to require the parties to submit final offers either individually or as a package or as a combination of both; to employ any other measures deemed appropriate to resolve the impasse; and to issue a decision no later than thirty (30) calendar days from the close of any hearing.
6. In accordance with Article VII, Section C, paragraph 6 of this Agreement, the decision of the arbitrator, if made in accordance with their jurisdiction and authority under this Agreement, will be accepted as final by the parties, and each party shall abide by it.

**ARTICLE II - ALL

2. Upon request, the AFT President shall be supplied with the following information when available:
 - a. A copy of a specific building or department's budget.
 - b. Notice of laws passed by the legislature that will bring additional funds into the District.
 - c. Notice of additional District revenue received or loss thereof.
 - d. Notice of any other information, which might be relevant to negotiations or necessary for the proper enforcement of this Agreement.
3. When requested, the Superintendent or their delegated representative will give the AFT President information containing the salary, years' experience, and degree held by each Employee and as required by 105 ILCS 5/3(c)(2), as amended.
4. A copy of any District notice, directive, posting, or bulletin relating to Employee job descriptions, reorganization, etc. will be supplied to the AFT President.
5. The District shall endeavor to keep the AFT President informed of any new programs, research projects, changes in programs, etc. which directly and significantly affect the Employees.

B. Distribution of District Policies

A copy of the current Board Policy Manual and this Agreement shall be on the District website, in the office of each Building Administrator, and in each departmental or grade level office in the respective buildings.

ARTICLE III – ALL Employee Rights

A. Seniority

1. The Board shall recognize seniority and the District Human Resources Administrator shall keep three (3) up-to-date lists of all Employees according to District, building, and classification seniority.
2. Seniority lists are based on the following criteria: Start Date (which is the first day of the school term, or if the employee is hired after the term begins, the first day they are approved to begin work), Board Approval Date and Application Date. Start Date is used first, followed by Board Approval Date, then by Application Date.

B. Posting of Positions

1. The District Human Resources Administrator shall make available a posting of all Administrative and Employee vacancies and all newly created positions that exist in the District as they occur. Said posting shall be made known to the Employees in each building via the website. Positions will be held open for at least five (5) school days.
2. Notification of all existing vacancies/positions will be sent to the AFT President.
3. Employees applying for any vacancy/position shall be screened by the Building/District Administrator and entitled to a phone interview. All interviews will be conducted by the Building/District Administrator. If the Employee applies for multiple positions in the same building, the Building Administrator is not required to interview them more than once per semester for similar positions. If the Employee is brought in for a face-to-face interview, they shall be notified if they are not appointed. If requested, a meeting shall be held with such an Employee to discuss the reason for their rejection and an AFT representative shall be present.

C. Reassignment Due to Staffing Allocation-

1. Based on the District's annual staffing allocations which does not result in an overall reduction in the District's staffing numbers in that category of employees, the below procedures will be followed:
 - a. Such transfers shall be made by notice in writing after consultation with those involved.
 - b. If an entire program or a level within a program is being moved to another District building, the Classroom Teacher(s) and Paraprofessional(s) currently in the program will move with the program to the new building. If they chose not to move with the program, they will be subject to staffing allocation reassignment as described below.
 - c. Such transfers may not displace (bump) the lowest senior staff member within their position category or building.
 - d. If the Employee desires, an AFT representative will be present during any conference concerning a permanent transfer of the Employee.
2. Any Employee affected by staffing allocation reassignment will have the right to return to a previous position within five (5) years of that position being subject to a staffing allocation reassignment (formerly known as involuntary transfer). The following positions are not subject to this paragraph because they require high levels of leadership skills or are District assigned positions, such as SRT Leader, Dean of Students, and Coordinators, etc. Notice of the desire to

return shall be communicated to the Human Resources Administrator within five (5) school days of the posted notice of the first available vacancy.

D. Voluntary Transfer

1. Voluntary Internal Transfer - When feasible, Classroom Teachers or Paraprofessionals shall be allowed to transfer within their building in order to fill an existing vacancy consistent with their qualifications and licensure. The Building Administrator, in assessing each request for a transfer, will be fair and reasonable.
2. Voluntary External Transfer – When feasible, Employees shall be allowed to transfer to another building in order to fill an existing vacancy consistent with their qualifications and licensure. Certified Staff, Paraprofessionals and Security Staff shall be allowed to transfer to another building up to two (2) times on or before three (3) weeks prior to the start date of Certified Staff/Paraprofessional/Security attendance.
3. Needs of the District must include the availability of a suitable replacement as well as the implementation of a policy of nondiscrimination in assignment and in accordance with the District’s strategic plan.
4. Voluntary transfers may occur on a limited basis for serious cause and must be mutually agreed upon by the Superintendent or designee and the AFT President.
5. A voluntary transfer out of a category requiring special certification will be avoided whenever possible.

E. Reduction in Force (RIF) and Recall

1. Upon layoff from the District, a full-time Employee shall receive \$29.00 per day for all unused accumulated sick leave. Part-time Employees will receive a prorated payout based upon their FTE status. This payment will be made at the time of the first payroll after the beginning of the new school year if the Employee has not been recalled and has not accepted a comparable position with the District prior to that time. If said Employee is subsequently recalled and accepts a comparable position with the District, the Employee will be required to reimburse the District and sick days will be restored to the original number.
2. Up until the beginning of the new school year, a laid off Employee may apply unused sick leave credit toward the continuation of medical/dental insurance coverage. Such credit will be computed at the rate of \$30.00 per day for unused sick leave. If the Employee is recalled, no reimbursement for the medical/dental insurance coverage will be required and no deduction of sick leave will be made for medical/dental insurance coverage.

F. Student Discipline Authority

The District shall continue to support Employees in the appropriate and proper exercise of disciplinary authority relating to students in accordance with applicable provisions of the District’s recognized procedures for dealing with student misconduct in accordance with Board policy.

G. Complaints Against Employees

1. The Board shall instruct any person who voices personal grievances or complaints against any Employee at its public meeting to cease and inform the person the process for bringing such matters to the District’s attention.
2. When any District or Building Administrator deems a complaint is serious enough to warrant possible disciplinary action against an Employee, the District or Building Administrator shall

require the complainant to put the complaint in writing. The Employee shall be informed of any such written complaint as soon as possible but not exceeding ten (10) working days after the receipt of the written complaint. No action, except as necessary, in the judgment of the District Administrator, to protect the welfare of students, is to be taken pursuant to such a complaint until the Employee has been informed and had an opportunity to respond.

3. If the Employee who has been complained of shall request, within ten (10) working days of notification of the complaint, a meeting of the complainant, the Employee, their immediate supervisor, the District/Building Administrator and an AFT representative, if desired by the Employee will be held. The Employee and District/Building Administrator may include such other persons in the conference as they deem helpful to resolution of the alleged problem which gave rise to the complaint.
4. The Employee and appropriate District/Building Administrator may include such other persons in the conference as they deem helpful to the resolution of the alleged problem which gave rise to the complaint.
5. The timelines in this section shall be extended for days an Employee is absent or unavailable, or by an emergency.
6. When a complaint against an Employee is found to have merit, the copy of the written complaint and the attendant materials, including any response by the Employee, will be filed in the Employee's personnel file.

H. Employee Disciplinary Action

1. If the District determines that an Employee has not performed their duties as listed in their job classifications and work responsibilities list, notice shall be given in writing to said Employee of their deficiencies and mention made that the lack of improvement or correction on their part may result in their termination.
2. If any disciplinary action is taken, it shall be appropriate and reasonable according to the situation. In addition, the Employee disciplined will be given written notice specifying the disciplinary action that will be taken.
3. Oral reprimands shall be done in a manner that will not embarrass the Employee before other Employees or the public except in emergency cases where health and safety are immediately affected.

I. Personnel Files

1. Upon written request, an Employee shall have the right to review and have reproduced all material, with the exception of confidential references used by the Employee to secure a position, in their District personnel file. Such review shall take place under the supervision of the District Human Resources Administrator. Reproduction of the non-confidential materials will be made only by the District. A nominal fee will be charged for this service.
2. The District shall not place negative material directly related to discipline or re-employment into an Employee's District personnel file unless the Employee receives a copy of said materials and notification that said materials are being placed in their files. An Employee shall have the right to rebut such negative materials within thirty (30) calendar days in writing and their rebuttal shall be attached to the corresponding file material. The Employee's rebuttal must be specifically related to the particular negative material in question.

3. Each Employee shall have the right to insert materials relevant to their service in the District, including the right to answer any evaluatory statement of their work performance and the right to add statements concerning their qualifications as an Employee except as otherwise set forth in paragraphs 1, 2, and 3 of this Section.
4. No confidential reference in an Employee's District personnel file shall be copied or made known to anyone other than appropriate District officials or through court subpoenas either during or after their service in the District.
5. Upon advanced notice, any Employee may pick up their transcripts at the District Office upon leaving the District.

J. Evaluation of Employees

1. The Building or District Administrator may visit any Employee, at any time, for any reason.

K. Employee Termination

1. The District or Building Administrator shall make a written recommendation to the Human Resources Administrator stating the reasons for termination after following the steps in this Article, either Sections E or J.
2. After Board action, the District Human Resources Administrator shall notify the Employee, where applicable and as required by the School Code and case law, of their termination in writing, stating the reasons and termination date. A copy of said notice shall be forwarded to the AFT President.

L. Educational Duty

Employees are urged not to conduct outside business, personal, or organizational activities without prior arrangement with the Building Administration. This includes planning or break periods.

M. Physical Examination

1. The laws of the State of Illinois require all new Employees to provide evidence of physical fitness to perform duties assigned and freedom from communicable diseases. 105 ILCS 5/24-5, as amended. Such evidence shall consist of a physical examination made by a licensed physician not more than ninety (90) calendar days preceding the time of presentation to the Board. The cost of said initial examination shall rest with the Employee.
2. All subsequent physical examinations required by the Board, thereafter, shall be at the expense of the Board in accordance with Board Policy 5:30.

N. Student Medication

No Employee, except Nurses, will be required to administer medication to a student. An Employee may volunteer to administer medication to a student in accordance with the Illinois School Code.

ARTICLE III – CERTIFIED STAFF
Employee Rights

A. Seniority

1. If a Certified Staff is part-time or partial year (hired to work fewer than one hundred and twenty (120) days after the start of the school year), their start date will change each year they are rehired until they become a full-time Certified Staff.
2. Certified Staff who are full-time and assigned to multiple buildings will be placed on the same seniority list within the level as full-time Certified Staff assigned to one building.
3. Temporary contracts have been created for Certified Staff who are: a) less than full-time, b) hired to work fewer than one hundred and twenty (120) days after the start of the school year, c) filling a leave of absence, or d) hired for a temporary, one-year position. These Certified Staff will have a new start date if they are rehired for the following year. The exception to this would be if they were filling a full-year leave of absence and were rehired the following year as a full-time permanent Certified Staff. These individuals would then get credit for the full-year, full-time position they worked with regards to tenure and seniority.

C. Reassignment Due to Staffing Allocation-

The appropriate Building Administrator or designee in consultation with the Director of Facility Operations or designee, shall have the authority to arrange the vacation schedule for the benefit of the District.

5. Vacation time cannot be accumulated. That is, if it is not used, it is forfeited.

6. Full-time Maintenance Staff hired prior to August 15, 2022 will receive ten (10) non-workdays annually. Non-workdays may not be used on Emergency Days. Maintenance Staff shall give the Director of Facility Operations or designee fifteen (15) calendar days' notice. **ARTICLE V - ALL
Leave Policies**

A. Sick Day

The granting of sick days shall be subject to the following:

1. Each school year, annual Sick Days, with pay, shall be granted to each full-time and part-time Employee based on one (1) day for each twelve (12) days of contracted work.
 - a. For Maintenance Staff, these days will be granted on July 1st of each year for all Maintenance Staff except those on unpaid leave, IMRF disability, or Workers' Compensation who will be granted prorated sick days upon return to work. If the Maintenance Staff resigns, retires, or is terminated mid-year, they will be prorated based on the number of days worked for that fiscal year. Upon leaving the District, unused/unpaid Sick Days are reported to IMRF.
 - b. For all other Employees, these days will be granted on the first day of each school year except those on unpaid leave, IMRF disability, TRS disability, or Workers' Compensation who will be granted prorated sick days upon return to work. If the Employee resigns, retires, or is terminated mid-year, they will be prorated based on the number of days worked for that fiscal year. Upon leaving the District, unused/unpaid Sick Days are reported to TRS or IMRF.
 - c. Sick Days may be allowed in increments of one-half (1/2) day.
 - d. "Sick Days" as used in this section means leave for personal illness, mental or behavioral health complications, pregnancy, birth, adoption, or placement for adoption, injury, quarantine, or serious illness or injury, or death in immediate family or household. "Immediate family" as used in this section means the Employee's parent, spouse, child, brother, sister, grandparent, grandchild, parent-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, party to a civil union pursuant to 750 ILCS 75/10, and legal guardian. "Household" as used herein means any person who resides with the Employee.
2. Employees shall be allowed to accumulate Sick Days subject to the following terms and conditions:
 - a. Certified staff may accumulate a maximum of three hundred sixty (360) days. Once they reach the maximum of three hundred sixty (360) days, they will not be given the current year's annual allotment unless their balance has dropped below the three hundred sixty (360) days.
 - b. All other Employees may accumulate a maximum of three hundred (300) days. Once they reach the maximum of three hundred (300) days, they will not be given the current year's annual allotment unless their balance has dropped below the three hundred (300) days.
 - c. Service Credit Bank: When an Employee reaches their maximum accumulated sick and personal days and if they suffer a documented catastrophic illness that would have qualified them to access the Valley View Council Sick Bank, the Employee will be allowed to access the Service Credit Bank which has recorded the sick and personal days they would have accumulated but were not allowed to because they had reached the 360/300 cap in order to preserve their service credit. At the time an Employee retires from the District, they will be permitted to donate up to ten (10) days to the Valley View Council Sick Bank from the Service Credit Bank.
3. The District may require a physician licensed in Illinois to practice medicine and surgery in all its branches, a mental health professional licensed in Illinois providing ongoing care or treatment to

the teacher or employee, a chiropractic physician licensed under the Medical Practice Act of 1987, a licensed advanced practice registered nurse, a licensed physician assistant, or, if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the teacher's or employee's faith as a basis for pay during leave after an absence of three (3) days for personal illness or as the school board may deem necessary in other cases. 105 ILCS 5/24-6, as amended. Example: If the Employee is absent Monday, Tuesday, Wednesday, and Thursday, the Employee may need a doctor's or practitioner's certificate when they come back on Friday.

4. Excessive use of Sick Days may result in the Employee being required to obtain a doctor's or practitioner's certificate. The District may question the propriety of using accumulated Sick Days beyond the number of sick days allotted each year provided the convalescence period is not usual and/or customary. Under these circumstances, both the Employee and the District shall each nominate a Doctor; both said Doctors shall agree upon and appoint a third independent Doctor to rule upon the Employee's request that they be allowed to utilize their accumulated sick days for said convalescence period. All costs of said examination shall be borne by the District.
5. A Certified Staff, Nurse, Security Staff, or Paraprofessional who exceed their Sick Days shall be docked on a prorated fraction of one (1) over their contracted days per day absent. Maintenance Staff shall be docked their regular day's pay. The per diem fraction used during the course of the school year shall also be used at the end of the school year. That per diem shall be multiplied times the number of workdays missed (excluding emergency days that are not accessed as workdays at the end of the school year). That amount shall then be subtracted from the Employee's gross salary for the school year to get the docked pay amount. Example: If a Certified Staff's TRS salary is \$50,000 and the Certified Staff missed six (6) workdays at the end of the school year (excluding emergency days that are not accessed as workdays at the end of the school year), the per diem is calculated at one/one hundred eighty-one (1/181) of the TRS column/gross amount.

$$\$50,000 \times 1/181 = \$274.73$$

$$\$274.73 \times 6 = \$1,648.38$$

$$\$50,000 - \$1,648.38 = \$48,351.62$$

The gross pay for the school year for this Certified Staff would be \$48,351.62.

6. Maintenance Staff who has paid holidays shall not be charged a Sick Day when one of the paid holidays falls within their Medical Leave.
7. Extended illness cases will be determined individually by the Board to see what relief can be given.

 - c. Remote Overtime is an emergency call back for which the Maintenance Staff is not physically dispatched to the site. The Maintenance Staff who responds to a remote

emergency call back is guaranteed at least one half (1/2) hour of payment at time and half regardless of whether they have worked 40-hours during the week in which the remote emergency call back occurred. The remote action must be documented.

2. The following days will count toward meeting the forty (40) hour work week requirement for overtime pay eligibility:

 - b. Paid holidays
 - c. Bereavement days
 - d. Jury Duty
3. On the first day of an absence, all authorized overtime shall be first allowed to the Maintenance Staff in their building. The Maintenance Staff Substitutes will be assigned by the Director of Facility Operations or designee to fill the vacancy. 8. The maximum number of hours of overtime allowed shall be no greater than eight (8) hours in any twenty-four (24) hour period, unless specifically authorized by the Director of Facility Operations.

The Building Engineer (where they exist) or Building Administrator is responsible to ensure that overtime assignments are offered to all eligible Maintenance Staff based on seniority and on a rotating basis. If the Maintenance Staff is undecided about whether they can work or not, the next Maintenance Staff on the list should be allowed the overtime work.
10. Established Overtime Rotation Procedures:
 - a. The Director of Facility Operations or designee will determine when overtime (OT) is necessary for District projects or general maintenance work orders and will determine the nature of the OT needed. Building Maintenance Staff will annually indicate in writing:
 - i. "Only want OT work in my building"

**ARTICLE IX - ALL
Stipend Provisions**

A. Stipends

1. Stipend Committee

a. A Stipend Committee will be formed to review current stipends and proposals for new stipends for sports/activities/clubs and make recommendations to the AFT President and Superintendent or designee for final approval. The Stipend Committee cannot override the AFT President's and Superintendent's decision to reject a stipend recommendation. This committee will consist of representatives from the AFT who represent the elementary, middle, and high schools, as appointed by the AFT President, and administrators appointed by the Superintendent. The committee will identify a chairperson to organize the structure and agenda of the meetings.

b. Stipend Committee Meetings

- i. The Stipend Committee will meet a minimum of two (2) times per year occurring by October 30th and April 30th.
- ii. The Stipend Committee will identify the format and parameters to be used to review and/or modify current stipends for sports/activities/clubs, which may include changes to placement on the stipend schedule and propose potential new or replacement stipends for sports/activities/clubs. This process will include collection of data, statement of equity impact, tracking system, identification of expectations and effectiveness, evaluation process, and requirements for compensation. The Stipend Committee will also develop job descriptions for coaches/sponsors along with guidelines identifying the expectations and demands on the coach/sponsor for each category and/or activity, in addition to other considerations of other resources, such as travel, space, etc.

2. The Superintendent or designee shall annually decide who will fill coach and sponsor positions based on an Employee's overall blend of experience and education, suitability for the District's sport/activity/club and reflect the recommendations of the Building Administrator and seniority in that position. When other factors are nearly equal, seniority (in the order listed in Article III, Section A, paragraph 2) shall be utilized as the final and determining factor by the Superintendent or designee.

3. Notwithstanding any provision in this agreement, the Superintendent or designee may hire any internal or external candidate, regardless of their status as a bargaining unit Employee as a head coach. The Superintendent or designee is not required to follow the procedures set forth in Article III, Section B, paragraph 3 when hiring such coaches. The individuals hired as head coaches may then hire their assistants or other direct reports. The individual may simultaneously solicit both internal and external candidates and will first consider applicants who are bargaining unit Employees. If a highly qualified bargaining unit Employee applies for the position, the individual will offer the position to such Employee. If no such Employee applies, the individual may offer the position to a non-bargaining unit Employee or external candidate.

4. To be considered for a stipend position, the interested Employee shall notify the Building Administrator in writing.

5. Based on available information, all Employees shall be notified of the tentative Activity Stipend assignments for the following school year prior to the end of the current school year. Changes in

assignment shall be made only when necessary to implement the educational program, and any Employee so affected shall be given prompt, written notification of change.

- When an Employee is released from a stipend position, they shall be sent immediate written notification of this decision. An Activity Stipend Staff Evaluation Report, which can be accessed on the District’s website, will be completed by the appropriate Building Administrator for all Employees who are being released.

B. Sports/Activities/Clubs (“Activity”) Stipends

- Coaches and sponsors for sports/activities/clubs shall be compensated in accordance with the Activity Stipend Schedule in Appendix B. Up to five (5) years of previous extracurricular experience outside of the District will be credited.
- All off-schedule, Activity Stipends beyond step twenty-five (25) will receive the same percentage increase as is placed on step one (1) of that year’s salary schedule or step twenty-five (25), whichever is greater.
- All activities will be paid at the conclusion of the season/activity. The submission of requisitions for payment for stipends shall be the responsibility of the Building Administration.
- A season is considered to be extended when a team qualifies for the state playoffs or when other sports or activities advance beyond the first round of a state tournament or competition. Only those coaches/sponsors directly involved are to be paid. This will always include the head coach/sponsor and may include other(s) as determined by the Athletic Director/Assistant Principal. Coaches/sponsors will be paid for involvement in practice and scouting in addition to actual competition when determined to be necessary by the Athletic Director/Assistant Principal. The additional stipend will be computed at the rate of one-sixth (1/6) of the coaches/sponsors weekly Activity Stipend for each day of involvement in extended season activities as described in this paragraph.
- The following list contains the sports, activities and clubs approved as of the date of this Agreement that may be annually approved for compensation by the Superintendent or designee. When the same person coaches/supervises two teams/related activities at the same time, that person will receive an additional 50% of the listed stipend. 2. If a Certified Staff gives the Board an irrevocable written notice of retirement by the first Board meeting in January, three (3) years prior to the year of retirement, the Board shall pay a 6% retirement incentive, inclusive of all other increases in TRS creditable compensation, for each of their remaining three (3) years of service, less compensation for any services not rendered. The school year notice approved by the Board is regarded as Year one (1) of the incentive.
3. If a Certified Staff gives the Board an irrevocable written notice of retirement by the first Board meeting in January, two (2) years prior to the year of retirement, the Board shall pay them a 6% retirement incentive, inclusive of all other increases in TRS creditable compensation, for each of their remaining two (2) years of service, less compensation for any services not rendered. Once the Certified Staff submits an irrevocable written notice of retirement, in no case will their TRS creditable earnings increase exceed 6% of the previous year.
6. If, after submitting an irrevocable written notice of retirement before the first Board meeting in January, provided in this Article, Section A, paragraphs 2, 3, or 4 above, the Certified Staff resigns from or is dismissed from duties for which they were paid a stipend or additional compensation in the previous year, the retirement incentive for that Certified Staff will be recalculated accordingly.

7. Certified Staff 6% Ineligibility for Retirement Benefits in this Article Section A. No retirement benefits as provided under this Article shall be available to any Certified Staff if they received an increase in creditable earnings of greater than 6% in any year which, if combined with the years under plan A, would have resulted in a TRS penalty to the District (so-called "look back").

of this payment until such time. Withholdings required by law or authorized by the ESP shall be deducted from this payment.

9. The ESP must have submitted a signed promissory note wherein the retiring ESP promises to pay back the difference between the total salary enhancements received under this plan and the actual salary the retiring ESP would have received in accordance with the regular salary schedule of the District if a change in the ESP's retirement date results in any IMRF penalty to the District.
10. The Board will pay the cost of the health and dental insurance premium for coverage under the District's major medical/dental carrier for five (5) years up to \$3,000 annually. If the cost rises above an annual premium of \$3,000, the ESP will be required to pay the difference to the District. At the end of the five (5) years, the ESP may pick up the cost of the insurance at the IMRF Retiree Health Coverage premium at that time. Should the ESP elect to drop insurance coverage, either upon entering the retirement plan or at some later date, coverage may not thereafter be reinstated.
